CIRCULAR
FROM SGTD COMMUNICATIONS
N12/COM/CIR/SGTD/2024

NOTICE TO ALL CUSTOMERS
CUT-OFF FOR LATE
ARRIVAL

Valued Customer,

The SGTD Doraleh Terminal would like to remind its customers that, in recent weeks, we have been experiencing late requests to load export containers discharged from the train while the assigned vessel is under operation at the terminal.

Therefore, in the interests of improving the efficiency of our services and avoiding disruption to operational activities, we would like to remind our customers that the terminal will apply the standard **cut-off** deadline for the following export types:

- Export containers received from the gate: 24 hours prior vessel berthing
- Export containers received from the rail: 24 hours prior vessel berthing

Therefore, all export containers discharged from the rail intended to be loaded onto a specific vessel will only be accepted prior to the vessel berthing and, after the berthing of the vessel, those units will be subject to renomination onto the next vessel.

Thank you for your understanding and compliance with this circular.
