September 10, 2024

NOTICE TO ALL CUSTOMERS **VESSEL REQUIREMENTS**

Valued Customer,

The SGTD Doraleh terminal would like to remind its customers that there is an increasing demand for provisioning from shipping lines for their respective vessels at the end of the vessel's operations in the terminal.

In the event of any supply requirements, the SGTD Doraleh Terminal requests all customers to anticipate any supply requirements for vessels and to apply the request prior to the vessel berthing to enable the SGTD team to review and communicate the supply start time to avoid any disruption to the vessel's sailing.

We therefore remind our customers that no vessel will be allowed to remain alongside after operations are completed. This process is designed to avoid any disruption to terminal operations and to improve the overall performance of the terminal.

We thank you for your interest in this note and look forward to your full cooperation.
